Information:

In the state of Florida, anyone who wants to run for office can have their name printed on the ballot either by paying a qualifying fee or by submitting ballot petitions. A ballot petition is neither an endorsement or a vote - it simply allows me to be one of the candidates printed on the ballot. Because we are in a redistricting year, ANY registered voter in the state of Florida can submit a petition - it doesn't matter which county they live in or what party they are registered with.

The qualifying fee (without submitting ballot petitions) for the office I am seeking is \$10,440.

The state is requiring 2,568 petitions this year for any person running for the United States House of Representatives. Ballot petitions cost only \$0.10 per petition to process, thus the total cost to qualify via ballot petitions is \$256.80. *Qualifying via ballot petitions saves our campaign \$10,283.20 to put into community programs, outreach and education.*

If you complete and mail your ballot petition to us, we will send it into each county's supervisor of elections office in large batches and pay the \$0.10 fee for you. However, if you choose to bring your completed petitions to your county supervisor of elections office yourself, you would have to pay the \$0.10 fee per petition (but would save the cost of a stamp). You can contact our office if you have any questions about this process. Email: Info@RebekahJonesCampaign.com

We ask that you help us gather as many petitions as possible by getting your friends, neighbors, family, coworkers, etc., to complete petitions and mail them back to us. You can send them to us all at once or have them send them or bring them to the supervisor of elections office separately.
